OVERSEAS PVT LTD

BROCHURE

ABOUT US

ATLANNTA OVERSEAS PVT LTD is a fast-growing Overseas Recruitment & Internship Agency in India that focuses on providing growth opportunities in Hospitality, Customer Service, Culinary Arts, Hotel Operations, Food Hygiene & Safety, and various international internship and employment programs across the UAE, Europe, and other global destinations.

We started out as a couple of ambitious individuals who were disillusioned with the way overseas recruitment and internship placements were being handled by existing agencies. We saw an opportunity to out-compete the existing players on service, ethics, transparency, and the way candidates were being guided throughout their career journey.

Through a collaborative culture focused on successfully delivering international placements and career opportunities across the globe ATLANNTA OVERSEAS PVT LTD rises to the challenge of utilizing high-value human resource and consultancy services to help candidates achieve their professional goals. We aim to deliver the best possible service to satisfy recruitment and placement challenges.

OUR IDEA IS:

"To bridge the gap between the ideal candidate and the ideal career choice." This enables us to share our knowledge and insight to both our clients and candidates throughout the recruitment process.

MISSION, VISION & VALUES

MISSION

Our mission is to provide the highest quality of Customer Service to our clients and deliver the best service to our crew with a sense of warmth, friendliness, and respect

VISION

We are totally dedicated to build a reputation as a most professional and one of the world's leading Recruiting Agencies.

We embrace diversity and value different perspectives and experiences.

Why Choose Atlannta?

No matter what form these solutions take Permanent, Contract Recruitment or Global Mobility - we provide rapid access to highly qualified talent and a better approach to matching the right candidate & associate with the right position resulting in better business results.

- Our Clients trust us to find the best talent and repeatedly use our services time and time again.
- We can reach the candidates that you cannot. Our recruiters develop relationships with talented candidates who have deep networks and great skills in the craft of recruitment.
- We have highly qualified and experienced Recruiters using the latest digital methods of sourcing candidates.
- We continue to invest in new technologies that allow us to access unique candidates.
- Our sourcing process is designed to ensure no viable candidates slip through the cracks.
- We listen, understand, and advise.

"Everything we do relates to unleashing potential in people and companies; from providing today's career opportunities to planning, measuring and managing the workforces of tomorrow"

SELECTING THE BEST TALENT FOR YOUR BUSINESS

CANDIDATE ATTRACTION METHODS

- A database of 35,000 candidates which is updated on a daily basis.
- Advertising – extensive investment in the leading jobs boards, in addition to advertising on our own website.
- Recommendations: good people know good people, 60% of our candidates are referred to us.
- Wide-ranging use of LinkedIn Recruiter.
- Social media advertising – over 57% of candidates now look to social media to help with their job search.
- Knowledge, personal contacts, and experience – our directors and recruitment consultants are some of the best and most networked in the industry.
- We are not afraid to headhunt when it is necessary. All that adds up to a robust and comprehensive selection process that leads to candidates with the right skills, the right values, and the right work ethic: candidates we can recommend to you with confidence.

A Smarter Way to Recruit

At the moment it is a candidate-led market. The 'war for talent is being fought more fiercely than ever. That's why we have an in-depth, industry-leading recruitment process that will make your company stand out from the competition, attracting the very best talent. We combine this with comprehensive and up-to-the-minute candidate attraction methods.
